

GRAPEFRUIT CORDIAL

Makes 4 cups (1 litre)

Ingredients

- 1 1/2 cups caster sugar
- 3/4 cup water
- 3 cups grapefruit juice (see note)
- Water or mineral water, to serve

Method

1. Place sugar and water into a small saucepan over low heat. Cook, stirring, until sugar dissolves. Increase heat to high. Boil, without stirring, for 10 minutes. Set aside to cool slightly.
2. Pour pink grapefruit juice into a sealable jug. Add sugar syrup. Stir well to combine. Refrigerate for 3 to 4 hours or until chilled.

Notes & tips

- Note: 12 grapefruit should give you 3 cups of juice.
