Q. WHAT'S A CROCODILE'S FAVOURITE GAME?

A. SNAP!

From the Principal:

Hello everyone!

Welcome to **Term 2**; it's going to be the best Term 2 in the history of all Term 2's!! It's wonderful to see all your fabulous faces.

As you may be aware, there are some changes this term. I am excited to step in to the role of Acting Principal and appreciate the support that our wonderful community has shown me.

With Fran moving on to her next adventure, we have had to have a look at our timetable and how we can best meet the needs of our school community going forward.

To address this change, we are **merging our three 5/6 classrooms** into two. Matt Raison and Melissa Campbell's classes will now have 21 students each. Josh Howarth will continue to be a part of the 5/6 team, teaching Matt's class on Thursdays and team teaching with Matt and Mel across Tuesdays, Wednesdays and Fridays. Additionally, Josh will teach STEM/Technology across Prep to Grade Six.

STEM/Technology will be taught in place of Bangerang. We are still committed to teaching Bangerang at our school, and will determine how best to do this over the coming term.

I need to acknowledge and thank all our staff for being on board and supportive of these changes, particularly Mel, Matt, and Josh. Their understanding and flexibility is truly appreciated.

I look forward to working with you all to continue to make our school the wonderful, inclusive and supportive place that it is.

With thanks - Michael

25th April 2025

A reminder to begin with that **ANZAC Day** is tomorrow, **Friday 25th of April**, which is a pupil free day. There will be many services around the region where you can remember the men and women who have served our country in all conflicts, wars and peacekeeping operations and those who sacrificed their lives in our country's name.

We have a lot coming up this term; **cross country, fun excursions, Smile Squad and the King's Birthday, oh my!** We will keep you updated each week with all the important details for these events.

For all those **Cross Country** loving peeps, ours is coming up on the 15th of May so start preparing those legs for some speedy action. It's a great event for all kids to have a little fun running slow, fast or anywhere in between.

And now for the most important news of all. Do you have a special woman in your life? Someone who takes care of you and loves you? Well, thankfully the **Mother's Day Stall** is nearly here where you can buy her heaps of amazing gifts. Keep watching for more details.

Coming UP!

Every Monday 9am Assembly

April

Friday 25 Anzac Day

Monday 28 Smile Squad

May

Friday 15 Cross Country
